The San Francisco Seals, 1946-1957-Brent P. Kelley 2002-04-19 The San Francisco Seals were members of baseball's Pacific Coast League from 1903 until 1958. Arguably the most successful minor league franchise ever, the Seals held the minor league attendance record from 1946 until it was broken by Louisville in the 1980s, and remained independently owned until 1956. The Seals were also Joe DiMaggio's first team and many another major league star was on the team's roster on his climb up the ranks. This work is a collection of oral histories of players who took the field for the Seals from 1946 through 1957, just before the Giants came to San Francisco and when the Seals played their final game. Ferris Fain said of the 1946 Seals, "I just think that that was the best ballclub that I've ever played on, including major league. I mean, as a team." Frank Seward, Don Trower, Jack Brewer, Roy Nicely, Neill Sheridan, Joe Brovia, Bill Werle, Con Dempsey, Dario Lodigiani, Lou Burdette, Ed Cereghino, Bill Bradford, Reno Cheso, Nini Tornay, Jerry Zuvela, Leo Righetti, Jim Westlake, Ted Beard, Chuck Stevens, Bob DiPietro, Don Lenhardt, Riverboat Smith, Jack Spring, and Bert Thiel also reminisce about their careers with the Seals.

They Too Wore Pinstripes-Brent P. Kelley 1998 The New York Yankees have won more league titles and World Series championships than any other franchise, thanks in large part to Hall of Famers such as Babe Ruth, Lou Gehrig, Lefty Gomez, Joe DiMaggio, Mickey Mantle and Yogi Berra. But stars alone have not made the Yankees the greatest of franchises, though. Little or nothing until now has been written about the supporting casts that helped the Yankees dominate baseball. Lou Clinton, Rip Coleman, Russ Derry, Charlie Devens, Ryne Duren, Allen Gettel, Steve Hamilton, Billy Hunter, Deron Johnson, Don Johnson, Little Ray Kelly, Cliff Mapes, Bob Martyn, Lindy McDaniel, Irv Noren, Duane Pillette, Bill Renna, Steve Souchock, Bob Turley, and Dooley Womack tell their New York stories. Teammates of Ruth, DiMaggio and Mantle talk about their playing days and the men with whom they played. This is Yankee history from the early 1920s into the 1970s, by the men who made it.

Going, Going ... Caught!-Jason Aronoff 2009-01-23 "Extensive research yields a wealth of information on these famous catches, including commentary by period sportswriters, players, and, often, the man who snagged the ball"--Provided by publisher.

Historical Dictionary of Baseball-Lyle Spatz 2012-12-21 Dating back to 1869 as an organized professional sport, the game of baseball is not only the oldest professional sport in North America, but also symbolizes much more. Walt Whitman described it as "our game, the American game," and George Will compared calling baseball "just a game" to the Grand Canyon being "just a hole." Countless others have called baseball "the most elegant game," and to those who have played it, it's life. The Historical Dictionary of Baseball is primarily devoted to the major leagues it also includes entries on the minor leagues, the Negro Leagues,

women's baseball, baseball in various other countries, and other non-major league related topics. It traces baseball, in general, and these topics individually, from their beginnings up to the present. This is done through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 900 cross-referenced entries on the roles of the players on the field—batters, pitchers, fielders—as well as non-playing personnel—general managers, managers, coaches, and umpires. There are also entries for individual teams and leagues, stadiums and ballparks, the role of the draft and reserve clause, and baseball's rules, and statistical categories. This book is an excellent access point for students, researchers, and anyone wanting to know more about the sport of baseball.

International Sport-Richard William Cox 2004 There has been an explosion in the quantity of sports history literature published in recent years, making it increasingly difficult to keep abreast of developments. The annual number of publications has increased from around 250 to 1,000 a year over the last decade. This is due in part to the fact that during the late 1980s and 90s, many clubs, leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements. It is also the result of the growing popularity and realisation of the importance of sport history research within academe. This international bibliography of books, articles, conference proceedings and essays in the English language is a one-stop for the sports historian to know what is new.

Literacy and Learning in the Content Areas-Sharon Kane 2017-07-05 The 3rd Edition of Literacy & Learning in the Content Areas helps readers build the knowledge, motivation, tools, and confidence they need as they integrate literacy into their middle and high school content area classrooms. Its unique approach to teaching content area literacy actively engages preservice and practicing teachers in reading and writing and the very activities that they will use to teach literacy to their own students in middle and high school classrooms. Rather than passively learning about strategies for incorporating content area literacy activities, readers get hands-on experience in such techniques as mapping/webbing, anticipation guides, booktalks, class websites, and journal writing and reflection. Readers also learn how to integrate children's and young adult literature, primary sources, biographies, essays, poetry, and online content, communities, and websites into their classrooms. Each chapter offers concrete teaching examples and practical suggestions to help make literacy relevant to students' content area learning. Author Sharon Kane demonstrates how relevant reading, writing, speaking, listening, and visual learning activities can improve learning in content area subjects and at the same time help readers meet national content knowledge standards and benchmarks.

The Baseball Bibliography-Myron J. Smith (Jr.) 2006 "With over 57,000 entries, this two-volume set is the most comprehensive non-electronic, non-database, print bibliography on any American sport. Represented here are books and monographs, scholarly papers, government documents, doctoral dissertations, masters' theses, poetry and fiction, novels, pro team yearbooks, college and professional All-Star Game and World Series programs, commercially produced yearbooks, and periodical and journal articles"--Provided by publisher.

The Neyer/James Guide to Pitchers-Bill James 2008-06-16 Pitchers, the pitches they throw, and how they throw them -- these days it's the stuff of constant scrutiny, but there's never been anything like a comprehensive source for such information. That's what preeminent baseball analyst Bill James and ESPN.com baseball columnist Rob Neyer realized over lunch more than a dozen years ago. Since then, they've been compiling the centerpiece of this book, the "Pitcher Census," which lists specific information for nearly two thousand pitchers, ranging throughout the history of professional baseball. The Guide also offers: A "dictionary" describing virtually every known pitch The origins and development of baseball's most important pitches Top ten lists: best fastballs, best spitballs, and everything in between Biographies of some of the great pitchers who have been overlooked More knuckleballers and submariners than you ever thought existed An open debate concerning pitcher abuse and durability A formula for predicting the Cy Young Award winner Something fresh and new: Bill James' "Pitcher Codes" The Neyer/James Guide to Pitchers is about understanding pitchers, and baseball's action always starts with the pitchers. It's also about entertaining debates and having a great deal of fun with the history of a game that obsesses so many.

Wise In The Road...-Edwards R. Hopple 2009-07-16 The book is divided into three sections. The first contains paragraphs of things I remember and things that were important. The second so-called section contains details of certain events, probably found in the first section. You will know when the first section ends that you are starting on the second. Same idea for the third where there are a bunch of certificates, letters, etc. that I thought were worth keeping.

American Book Publishing Record- 1998

Rob Neyer's Big Book of Baseball Legends-Rob Neyer 2008-04-01 The latest and greatest in ESPN.com baseball guru Rob Neyer's Big Book series, Legends is a highly entertaining guide to baseball fables that have been handed down through generations. The well-told baseball story has long been a staple for baseball fans. In Rob Neyer's Big Book of Baseball Legends, Neyer breathes new life into both classic and obscure stories throughout twentieth-century baseball -- stories that, while engaging on their own, also tell us fascinating things about their main characters and about the sport's incredibly rich history. With his signature style, Rob gets to the heart of every anecdote, working through the particulars with careful research drawn from a variety of primary sources. For each story, he asks: Did this really happen? Did it happen, sort of? Or was the story simply the wild invention of someone's imagination? Among the scores of legends Neyer questions and investigates... Did an errant Bob Feller pitch really destroy the career of a National League All-Star? Did Greg Maddux mean to give up a long blast to Jeff Bagwell? Was Fred Lynn the clutch player he thinks he was? Did Tommy Lasorda have a direct line to God? Did Negro Leaguer Gene Benson really knock Indians second baseman Johnny Berardino out of baseball and into General Hospital? Did Billy Martin really outplay Jackie Robinson every time they met? Oh, and what about Babe Ruth's "Called Shot"? Rob checks each story, separates the truths from the myths, and places their fascinating characters into the larger historical context. Filled with insider lore and

Neyer's sharp wit and insights, this is an exciting addition to a superb series and an essential read for true fans of our national pastime.

Always & Forever, If Only-Deborah Lynn Alexander 2005-06-21 Darius wouldnt give up his search for a woman he met months ago at a wedding. Her name is Trish. They had spent the summer together, but one day after the most romantic evening of their life she up and disappeared. He was confused because he couldnt understand why she would leave. Especially since the night before he proposed to her and she said, Yes. In his search he met the one person who could put all the missing pieces and persons of the puzzle together. But he had to answer a vital question. Are you ready for the TRUTH

Books in Print- 1991

The Yankees in the Early 1960s-William J. Ryczek 2007-09-06 "This book about the New York Yankees focuses on a seven-year period (1960-1966) that began with five consecutive pennants and ended in the AL cellar. Covering the major stories of the period as well as those that never left the clubhouse, the book presen

The Convict and the Colonel-Richard Price 2006 An election day massacre in colonial Martinique. A "mad" artist who lives in a cave. A satirical wooden bust of a white colonel. The artist's banishment to the Devil's Island penal colony for "impertinence." And a young anthropologist who arrives in Martinique in 1962, on the eve of massive modernization. In a stunning combination of scholarship and storytelling, the award-winning anthropologist Richard Price draws on long-term ethnography, archival documents, cinema and street theater, and Caribbean fiction and poetry to explore how one generation's powerful historical metaphors could so quickly become the next generation's trivial pursuit, how memories of oppression, inequality, and struggle could so easily become replaced by nostalgia, complicity, and celebration. "A superb callaloo of a book. . . . Richard Price has a remarkable grasp of the literatures of the Caribbean, and draws on this resource to explore the underlying insanity of the colonial experience, as well as the bewildering complexities of the postcolonial world where memory is erased or invented according to the demands of a market modernity."--George Lamming, author of *The Pleasures of Exile* "By beautifully crafting elements as disparate as biographical data, sociological studies, literary sources, and archival documents, Richard Price's research is more fascinating than a piece of fiction."--Maryse Condé, author of *I, Tituba, Black Witch of Salem* "Price does it again. Mixing eras, genres, and voices, he carries the reader through the contradictory streams of historical consciousness in the Caribbean island of Martinique. The result is as complex and as enticing as the sea it evokes."--Michel-Rolph Trouillot, author of *Silencing the Past* "Filled with insights that are at once theoretical, methodological, and ethnographic, *The Convict and the Colonel* is required reading for anyone interested in colonialism, memory, and contemporary Caribbean societies."--Jennifer Cole, *American Ethnologist*

Trans Am-Robert Ryan 2010-01-07 Jim Barry and his wife Belle live a comfortable suburban life in New Jersey, until a young boy is killed in a freak accident - and the grieving father demands an extraordinary restitution: Jim Barry must replace the sinister Stefan Sebastayen's son with his own, or the whole family will be slaughtered... Meanwhile single-mother Wendy Blatand is trying hard to bring up her son Pete in an Arizona trailer-park while working as a waitress - until one night Pete is abducted...

Beyond Breathless-Kathleen O'Reilly 2012-07-01 Nicknamed "The Porcupine," Jamie McNamara has a tough-as-nails attitude that makes her a force to be reckoned with on Wall Street. So it's a shock even to her when she seduces a sexy investment broker in a Hummer limo on the way to a business meeting. But when her erotic escapade becomes the topic of the "Red Choo Diaries" sex blog and threatens to destroy her steely persona, Jamie realizes a fling isn't always frivolous. Used to getting what he wants, gorgeous man-about-town Andrew Brooks knows a good thing when he sees it; and he sees and wants Jamie. Her drive and passion have him consumed. He's determined to transform their passionate limo encounter into a long-term merger; and he's prepared to negotiate!

He Knows Too Much Level 6-Alan Maley 1999-04 Award-winning original fiction for learners of English. Rags to Riches: Part Two Box Set-T.A. Chase 2019-05-28 The Rags to Riches series: Part Two Anywhere Tequila Flows Two men convinced they'll never find love discover it in the least likely of places. Sidney Richardson has watched his two best friends fall in love, leaving him to wonder if he'll ever find the right man for him. Sure, he's been playing the field since he discovered sex, but he's never taken a chance on one of those one-night stands to see if there might be more. Now he's ready, but is the man he's waiting on ready as well? Tito Perez has had a rough go of it, but he's finally in a good place in his life. He's got a great job and a group of marvellous friends. Who cares that he doesn't have that one special guy in his life? Some people just aren't meant to fall in love. Then a chance meeting between boss and employee gives Sidney and Tito an opportunity to put their hopes and dreams into action. Will love flow as easily as the tequila Tito pours? Walking in the Rain Sometimes fate brings us the right person to make our world perfect. Dayton VanHooren is a United States senator who doesn't really like his job. He's been too busy to date, much less pick anyone up for sex. Being openly gay means he doesn't have to worry about scandal, but he's looking for something more than a good time. Mickey O'Leary can barely think, he's so exhausted. Working three jobs to help pay his brother's hospital bills keeps him going and helps him forget about how lonely he is. Mickey would like to meet a nice guy who won't run at the first hint of Mickey's problems. A

wedding reception and a thunderstorm are catalysts to bring these two men together. What can they do when they discover the perfect man for them but fall in love? Barefoot Dancing A moment in time can be the most pivotal one in our lives. Kendall VanHooren is happy with his life. He works as a corporate lawyer in his father's firm and does as he wishes on the weekends. He used to be a partier, but as he's matured, he's settled down and figured out that sometimes quiet is a good thing. George Bowie is working a minimum wage job, which is barely keeping him off the streets most days. He lost his job in the banking crisis and has learned the hard way that pride has no place when it comes to survival. Dancing barefoot on the beach might seem an odd thing to do, but it brings two men together at just the right moment for their worlds to collide.

Looking for Comfortable Shoes-Jackie Ganem 2011-09 This is a story about change—the cultural change required of a Lebanese immigrant family new to the United States and the dramatic personal change that comes as the result of a family tragedy. The book is in two parts. Through a series of vignettes, the reader is introduced to a cast of unique characters in an immigrant family. Their stories are amusing and touching. The second part of the book is told in small stories and deals with the complex changes in a family after the attempted suicide and mental illness of the youngest child. The family's world as they knew it stopped. The author changed in such fundamental ways that it is as if she had two lives—one before this tragedy and one after. Her evolution took her from a traditional suburban housewife and mother to that of an ambitious career woman eager to grow and move away from all she had ever known. This is a true story told with great honesty, love, and surprising humor. "Jackie Ganem's memoir ... is a sensitive look at growing up in America in a Lebanese immigrant family. Yet, it is so much more. Ganem skillfully documents her own life as she progresses through the roles of a wife in a difficult marriage, a mother learning to relate constructively and compassionately to her troubled daughter, and a devoted partner to her lifelong companion. Ganem's prose is evocative and descriptively specific to the remarkable woman who is central to this story." —Jane Katims, author of *Dancing on a Slippery Floor*

Interview Excellence-Joe McDermott 2006-03-01 This great book contains 210 tough interview questions with model answers based on actual replies given by winning candidates at job interviews and covers all the essentials, what to do before, during and after the job interview to guarantee success. 98% Pure Potato-John Griffiths 2016-06-30 From the late 1960s, advertising agency account planners helped to develop long-running advertising campaigns that went on to build the well-known household brands we still use today. It was the golden era of advertising, partly because the campaigns seemed to connect with consumers so well. But who were the account planners who helped to develop these campaigns and build these brands? In 98% Pure Potato, the untold history of those real-life men and women is revealed through insights and anecdotes from some of account planning's most revered pioneers: David Baker, John Bruce, David Cowan, Lee Godden, Christine Gray, Ev Jenkins, John Madell, Jane Newman, Jim Williams, Roderick White, Paul Feldwick, Jan Zajac and many more. Industry experts John Griffiths and Tracey Follows trace the true beginnings, rise and evolution of the discipline that came to be known as 'advertising account planning', uncovering how the UK's most iconic campaigns came to be, and exploring what challenges and opportunities lie ahead. This is the enlightening history of how a fundamental part of advertising practice came out of the UK, as well as an instrumental guide for anyone working or hoping to work in the advertising industry today.

A Tokyo Romance-Ian Buruma 2018-03-06 A classic memoir of self-invention in a strange land: Ian Buruma's unflinching account of his amazing journey into the heart of Tokyo's underground culture as a young man in the 1970's When Ian Buruma arrived in Tokyo in 1975, Japan was little more than an idea in his mind, a fantasy of a distant land. A sensitive misfit in the world of his upper middleclass youth, what he longed for wasn't so much the exotic as the raw, unfiltered humanity he had experienced in Japanese theater performances and films, witnessed in Amsterdam and Paris. One particular theater troupe, directed by a poet of runaways, outsiders, and eccentrics, was especially alluring, more than a little frightening, and completely unforgettable. If Tokyo was anything like his plays, Buruma knew that he had to join the circus as soon as possible. Tokyo was an astonishment. Buruma found a feverish and surreal metropolis where nothing was understated—neon lights, crimson lanterns, Japanese pop, advertising jingles, and cabarets. He encountered a city in the midst of an economic boom where everything seemed new, aside from the isolated temple or shrine that had survived the firestorms and earthquakes that had levelled the city during the past century. History remained in fragments: the shapes of wounded World War II veterans in white kimonos, murky old bars that Mishima had cruised in, and the narrow alleys where street girls had once flitted. Buruma's Tokyo, though, was a city engaged in a radical

transformation. And through his adventures in the world of avant garde theater, his encounters with carnival acts, fashion photographers, and moments on-set with Akira Kurosawa, Buruma underwent a radical transformation of his own. For an outsider, unattached to the cultural burdens placed on the Japanese, this was a place to be truly free. A Tokyo Romance is a portrait of a young artist and the fantastical city that shaped him. With his signature acuity, Ian Buruma brilliantly captures the historical tensions between east and west, the cultural excitement of 1970s Tokyo, and the dilemma of the gaijin in Japanese society, free, yet always on the outside. The result is a timeless story about the desire to transgress boundaries: cultural, artistic, and sexual.

Pinstripes-John Frazier 2009-09 The craft of pinstriping dates back centuries, when carriages of royalty were painted with fine lines of exquisite detail and design. Twelve-year-old Derek Moody lives at The Greasy Spoon, a struggling roadside mart and garage. Over three days he learns that the man he calls "Dad" is not his father, and he meets Kelly Williams, the cute niece of a big customer. When the two are later caught behaving as curious adolescents, the Moodys lose the Williams business and Derek loses his new best friend. Anxious to make amends, Derek begins pinstriping customers' cars with seasoned expertise, skill he attributes to Kelly and their last encounter. He leaves home at 18, well on his way to fortune and fame. At a hot rod show he meets Cecil Caldwell, a Matchbox car vendor, and his personal life appears equally successful. Until a freak injury threatens his career at age 26. For anyone who ever grinned at a nicely-painted car, and everybody who never completely forget their first love, and anyone who ever knew the joy of a dog or the bliss of a dysfunctional family, Pinstripes is about trust and duplicity, faith and despair, cherry Chapstick and cherry-flavored pancake syrup. And the fine lines that separate all of them. After writing copy for the San Francisco offices of three international advertising agencies, John Frazier began freelancing in 1987. He has written for clients from almost all industries, including high technology, financial, automotive, publishing, food and consumer goods, and for virtually every medium. Clients have included Apple, IBM, AT&T, Hewlett-Packard, Blue Cross and Blue Shield, and Levi Strauss. After writing copy for the San Francisco offices of three international advertising agencies, John Frazier began freelancing in 1987. He has written for clients from almost all industries, including high technology, financial, automotive, publishing, food and consumer goods, and for virtually every medium. Clients have included Apple, IBM, AT&T, Hewlett-Packard, Blue Cross and Blue Shield, and Levi Strauss. For an even longer period of time, John has been fascinated by cars shiny and fast. He had his first Hot Wheels track as a young grade schooler, and attended the famed Oakland Roadster Show as a young teenager, providing his first serious look at mag wheels, chrome head covers and pinstriping, the fine lines of paint adorning the hottest of rods with flames and flourishes. Although his first car, a 1970 Plymouth Roadrunner, did not sport pinstripes, it did go fast. Among his favorite movies of the era were Vanishing Point and Dirty Mary and Crazy Larry, two tributes to muscle cars and man's insatiable need for speed. In his spare time John listens to too much Sinatra.

Max Dreyssig: Human Skeleton-Joe Jeney 2015-03-18 Max Dreyssig, human skeleton, sits in the South Australian Museum in its Biodiversity Unit, a bluebird perched on his hand. Max Dreyssig, the man, was born in 1850 in Germany and moved to Australia in 1874. He died in the North Adelaide Private Hospital in 1913, two weeks following surgery at the hand of one

of the age's great medical professors, Doctor Archibald Watson. Pulling together what little we know about Max's life, this story examines his relationship with the inimitable Professor Watson and the reasons for him leaving his home in Germany following the Franco-Prussian War, in which he had fought. His was a time when the old world, Germany, became a newly confederated European powerhouse and the new Australian city, Adelaide, led the world in political reform and medical experimentation. Giving pony rides to children along Adelaide foreshores during his final years, Max lived alone but was never lonely. Max Dreyssig, Human Skeleton, the story, finally gives 'ole' Max Dreyssig' a voice - and a heart.

Why I Hate the Yankees-Kevin O'Connell 2005-11-01 Why I Hate the Yankees offers a humorous take on the most beloved--and at the same time, most reviled--franchise in American professional sports. The book attempts to answer the question: Do we hate the Yankees merely because they always win, or is there more to it than just that? The authors deconstruct the origins of the so-called Yankee mystique, offer countless examples of Yankee arrogance, and critique the Yankees' easy-way-out business model whereby they merely outspend other teams for talent. The authors leave no one exempt from blame, parodying the Yankees' fans, players, and overbearing owner, and questioning the motives of the national media and Major League Baseball. The tongue-in-cheek narrative is interspersed with revealing quotes from Yankee players, fans, media members, and other writers. A must-read for any hater--or lover--of the Yankees.

Organizations-Howard P. Greenwald 2007-05-23 Organizations: Management Without Control provides a comprehensive understanding of the functions of formal organizations and the challenges they face. The most effective organizations provide members with opportunities to achieve their personal goals while pursuing the organization's objectives. Using a practical approach with minimal jargon, author Howard P. Greenwald covers the basic features of organizations such as roles, structure, reward systems, power and authority, and culture and introduces important theoretical perspectives related to these features. Key Features Emphasizes the theme of "management without control": This volume differs from most standard texts by highlighting both the challenges and opportunities that result from the independence of the individuals in the organization's ranks. Stresses the importance of individual motivation and self-fulfillment: Recognizing the individual's responsibility for their own success, the book helps readers evaluate clues to whether the organization to which they belong is an adequate opportunity. Offers a critical perspective on current fads and management ideologies: Proposing no formulaic solutions, the book provides the perspectives required to understand each organization's uniqueness and to develop remedies to issues as they arise. Makes theory accessible through numerous real-life examples: Chapters include examples from life in business organizations, government agencies, non-profits, clubs, friendship groups, and families. Examines multinational corporations: Challenges involved in management on an international scale are explored as the book applies the principle of individual and group independence to global matters. Underscores multidisciplinary interest in organizations: Content is drawn from sociology, social psychology, anthropology, and management science. Intended Audience This introductory textbook on formal organizations is designed for advanced undergraduate and graduate courses such as Organizational Behavior, Managing Complex Organizations, Sociology of Organizations, and Government/Non-profit

Management in the departments of business, public administration, health administration, social work, sociology, and psychology. Instructor's Resources An Instructor's Resource CD is available upon request. This CD provides PowerPoint presentations, test questions, additional examples and cases, suggested exercises, and much more!

Ministers at War-Jonathan Schner 2015-03-19 After the defeat of France in May 1940, only one nation stood between Nazi Germany and total domination of Europe - Britain. This is the gripping story of Winston Churchill's wartime government, an emergency coalition of Conservatives, Labour, Liberals and men of no party, assembled to see Britain through the war. A chronicle not only of their successful efforts to work together but also of quarrels, power plays, unexpected alliances and intrigue, it is an account of the most important political narrative of our time. With a cast of characters featuring some of the most famous names in twentieth-century British history, including Bevin, Attlee, Chamberlain, Beaverbrook, Morrison, Eden, Cripps - and of course Winston Churchill - this magisterial work provides a unique view of the inner machinations of Britain's wartime cabinet. Dispelling that the War Cabinet constituted an unbreakable 'band of brothers', award-winning historian Jonathan Schner reveals that this ensemble of political titans were in fact a 'team of rivals' that included four Prime Ministers - past, present and future. Both illuminating and engrossing, Ministers at War is the first work to draw upon original research to present a previously unseen perspective of British politics during and after World War II. Schner shows us that just as the war had kept them together, the prospect of peace saw this supposedly unbreakable band fall apart, thus providing a fascinating insight into the birth of the Welfare State.

At Last My Love-This I Promise-Peebee Jax 2010-07-23 When two hearts become one, both happiness and sometimes sadness will find a place in that seemingly perfect union. As much happiness as we shared, when I look back over our life together, I was blessed that God allowed me to experience such joy and love every day with a man who not only made promises but kept those promises. Even though I have also witnessed sadness to an unimaginable degree since his unexpected death, I can truly say I was still blessed to have loved and been loved to a magnitude I do not have words to describe. A lifetime cannot be defined in terms of hours, days, years, decades or century. Regardless of the length of time any relationship lasts, we must learn to live every minute like it is our last. That is what my one true love taught me! He added truth, honesty, love and devotion together and we had a sum total of joy and happiness divided by the number of offsprings produced by that love. And we never parted in anger or unforgiveness--because no one can predict what the next minute will bring. Sometimes I think my love was just too wise for this world--that is why God called him home to be with Him. As I look back over our life together, I feel enormously blessed by God to have had such a love as this in my lifetime. Only God made it possible. Only God allowed me to experience total bliss for a little while (29.8 years). Words cannot describe the memories stored in my memory bank of our span of time together. In all my days of blissful retreat, the only thing I feel I did not do enough of is giving grateful praise to the Almighty for creating that soul mate just for me and I for him. Life will go on and in each whisk of air against my skin as I sit and read, I will remember it is you my love stopping by to see me every now and then. God saw you were getting tired; So He did what He knew was best. He watched and

waited for the exact time, You were in most need of some rest. You did not say to me farewell; Nor even a wave good-bye. God took you swift and easy-- I dare not ask God why. He gave you to me for a while; I loved you with all my heart, I showed you, I told you daily, Even in death, we are not apart. Rest easy Honey until I get there, I will know you when I arrive. We will be just two angels forever, Always--partners--side by side.

The Cumulative Book Index- 1999

Yankees by the Numbers-Bill Gutman 2010 Listing more than fifteen hundred players who ever wore a number, uses current and retired New York Yankees uniform numbers to provide a history of the New York Yankees baseball team.

The Chicago Bulls-Mark Stewart 2014-07-01 A revised Team Spirit Basketball edition featuring the Chicago Bulls that chronicles the history and accomplishments of the team. Includes access to the Team Spirit website which provides additional information, photos, and updates during and after the season. Table of Contents, Glossary, Timeline, Bibliography of additional resources and Index. Aligns to Common Core State Standards requirements for Reading Informational Text.

The Devil In Kilgore, Texas-Stephen E. Yocum 2015-09-22 The Devil in Kilgore, Texas is a suspenseful novel of historical fiction, recounting the lives of a poor, highly dysfunctional family during The Great Depression of the late 1920's. The central characters are three young children, two brothers and their girl cousin, who endeavor to survive the daunting crucible of those hard times and the neglect of their uncaring, self-absorbed parents. The raw telling of the nature of this abuse is dark and unflinching, yet truthful to the actions of far too many people that produce children, having no concept or desire to love and nurture them. The children's journey is one of struggle and redemption. Their love for one another, their bond of strength. Along the way they encounter decent people, strangers that teach them that not every adult they meet is evil or cruel and that the children's previously unknown concepts of fidelity and being loved are not some abstract, unattainable dream only played out in their collective wistful imaginings. This unshakable covenant of love, hope and survival between the children is the heart of the story. The darker moments are but a background. On a parallel path is the character rich true story of a Texas town and its people, amid the largest oil discovery in U S History. How a blessing of riches turned, overnight, into a pernicious calamity, creating a boomtown of thousands of grasping seekers and scoundrels, fostering the destruction of this small hamlet while stealing the innocence of its citizens. Both compelling stories, of the children and the town, dramatically speed towards a shared and redemptive climax.

At Home with the Diplomats-Iver B. Neumann 2012-04-15 The 2010 WikiLeaks release of 250,000 U.S. diplomatic cables has made it eminently clear that there is a vast gulf between the public face of diplomacy and the opinions and actions that take place behind embassy

doors. In *At Home with the Diplomats*, Iver B. Neumann offers unprecedented access to the inner workings of a foreign ministry. Neumann worked for several years at the Norwegian Ministry of Foreign Affairs, where he had an up-close view of how diplomats conduct their business and how they perceive their own practices. In this book he shows us how diplomacy is conducted on a day-to-day basis. Approaching contemporary diplomacy from an anthropological perspective, Neumann examines the various aspects of diplomatic work and practice, including immunity, permanent representation, diplomatic sociability, accreditation, and issues of gender equality. Neumann shows that the diplomat working abroad and the diplomat at home are engaged in two different modes of knowledge production. Diplomats in the field focus primarily on gathering and processing information. In contrast, the diplomat based in his or her home capital is caught up in the seemingly endless production of texts: reports, speeches, position papers, and the like. Neumann leaves the reader with a keen sense of the practices of diplomacy: relations with foreign ministries, mediating between other people's positions while integrating personal and professional into a cohesive whole, adherence to compulsory routines and agendas, and, above all, the generation of knowledge. Yet even as they come to master such quotidian tasks, diplomats are regularly called upon to do exceptional things, such as negotiating peace.

Biographical Dictionary of American Sports: Q-Z-David L. Porter 2000

Baseball Prospectus 2019-Baseball Prospectus, 2019-02-15 The 2019 edition of The New York Times Bestselling Guide. PLAY BALL! Farm-mortgage Credit Facilities in the United States-Donald Clare Horton 1942 This publication is intended to serve a principal purpose of providing a compact summary and analysis of factual material on farm-mortgage credit heretofore available only in scattered sources. At the same time it is intended to orient the major current problems and public issues

in the farm-mortgage credit field.

Slocum #400-Jake Logan 2012-05-29 Slocum takes on some cowardly braves... There's only one thing more vicious than the west Texas wind as it blows through Palo Duro Canyon—and that's a band of bloodthirsty Kiowa. Answering a woman's call for help, Slocum comes across the scene of a brutal ambush. Two men are dead, and three women have been abducted.

Turns out the Indians are working with a scoundrel named Scudder, who aims to turn the women into prostitutes. There's only one man who can save the ladies from a fate worse than death—and his name is John Slocum.
