IS LOVE A MADNESS?-Bedrettin Simsek 2020-08-17 The most burning love poems of Bedrettin Simsek are combined with his novel, a masterpiece of irony and dark humor! Bedrettin Simsek, the heterodox author of Turkish literature, whose first work 'The Sermon Book Of The False Prophet' came out in 1996, combines his identity as a poet with his identity as a novelist in his book 'Is Love a Madness?' in which he addresses an even more bizarre situation that arises as a result of a bizarreness of the human soul. By making the poem a part of the novel and with his ability to create situations that can be both tragic and funny at the same time, he reveals a unique work in literary fiction.

verse commentary offers a fresh reading of an intriguing book of the Old Testament.

Song of Songs (Baker Commentary on the Old Testament Wisdom and Psalms)

Richard S. Hess 2005-04-01 Richard Hess has written an insightful commentary on one of the most intriguing books of the Bible, which celebrates God's gift of love. Following an introduction to the biblical book and a history of its interpretation, Hess divides his discussion into seven major sections. Each section begins with a fresh translation, followed by paragraph-by-paragraph commentary, and concluding with a summary of the passage's theological implications. Technical questions related to the Hebrew text or scholarly debate are addressed in the footnotes. Pastors and teachers will find here an accessible commentary that will serve as an excellent resource for their study. This is the first volume in the Baker Commentary on the Old Testament Wisdom and Psalms series.

Toward a Theology of Beauty-Jo Ann Davidson 2008 Over the centuries, theological studies have grappled with the comprehension of Truth and Goodness. However, theology, unlike philosophy, has neglected serious scrutiny of the study of Beauty or Aesthetics. Jo Ann Davidson's Toward a Theology of Beauty investigates this omission. Why should aesthetic dimensions be ignored in theology's quest for ultimate truth?

Davidson convincingly states that these would contribute to the ongoing search for a more comprehensive perception of the divine. This book contends that theology is incomplete and impoverished without fundamental deliberations within aesthetic values. A survey of the literature up to the present currently reveals that theological studies, by and large, do not yet realize the extent to which it might be enriched by the biblical aesthetic. God's own nature, His Word in both Testaments including narratives, poetry, literary structures, and vocabulary are all embedded in aesthetic expressions. A systematic study of the biblical aesthetic is one that calls for attention and this book offers a solid and thought-provoking beginning.

Fairytale Christianity-John (JD) Zumwalt 2009-10-07 There are those who would have us believe that all we have to do is utter a prayer, sit back - and wait for God to pour out the blessing upon us. Many times folks would have us believe that our prayer must be accompanied by a check to them in order for the blessings to flow. The Bible does not teach any such thing. The blessings of Christianity are numerous. God however is not Santa Claus; we have no guarantees of wealth, health, a good job or any other worldly item. Satan loves to use false hope (from untrue beliefs) as a tool to damage our belief in God. This book is a realistic look at what the Bible actually says about everyday life. It is a handbook of Christian life - based and backed 100% with scripture.

Proverbs-Barry Bowen 2012-04-01 The Book of Proverbs is a practical message from God on how to live your life. The book is structured and highlights the "must know" information to help you become the person you want to be. There are many important questions in life. How would you respond if someone asks you to become rich at the expense of others? How do you identify those who want to use you? How do you respond to authority? Why learn and strive? What are we doing here anyway? What do people expect? What difference does it make anyway? How do I know what is best for me? Proverbs are wise sayings that answer these issues. Proverbs explain the problems and give the answers. Understand them and you cannot fail. They are presented so you will be riveted to the next phase of the process, building from simple things to the most complex. We all want to win, but we need to know is how to do it.

The Godly Man's Picture-Thomas Watson 2015-11-29 The Godly Man's Picture, Drawn with a Scripture Pencil, or, Some Characteristic Marks of a Man who is Going to Heaven. The soul being so precious, and salvation so glorious-it is the highest point of prudence to make preparations for the eternal world. It is beyond all dispute, that there is an inheritance in light; and it is most strenuously asserted in Holy Scripture that there must be a fitness and suitability for it (Col. 1:12). If anyone asks, "Who shall ascend into the hill of the Lord?" the answer is, "He who has clean hands, and a pure heart" (Psalm 24:4). To describe such a person is the work of this ensuing treatise. Here you have the godly man's portrait, and see him portrayed in his full lineaments

The Thomas Watson Collection. Illustrated-Thomas Watson 2021-06-14 Thomas Watson was a 17th-century minister at the church of St. Stephen Walbrook in London. As a pastor, he set himself two goals. First, he wanted unbelievers to grieve over their fate and realize the necessity of God's grace. On the other hand, he wanted believers to rejoice in the assurance that they had received God's grace. His books are simple but exciting commentaries with many practical examples and applications. He explains the paradox that both good and bad events contribute to the benefit of believers. He spends a great deal of time explaining what it means to love God and be called by His will. In this book, Watson manages to answer one of the most plaguing theological questions of all time: Why do bad things happen to good people? This eBook includes the following 14 volumes by Thomas Watson: Body of Practical Divinity The Ten Commandments The Lord's Prayer The Beatitudes The Godly Man's Picture The Art of Divine Contentment A Treatise Concerning Meditation The Great Gain of Godliness The Doctrine of Repentance The Mischief of Sin A Divine Cordial The Christian Soldier The Christian's Charter The Duty of Self-Denial
