**The One Love Affair**-Margery Wolfe  
2018-06-28 Jesus, the Word given, cannot be bought with money! We must realize He is not for sale! He freely gave his life as a redemptive means for the soul of man to be restored spiritually to its first spiritually created state. God, his Word, his will, his way for our lives cannot be bought for no amount of money. God gave Himself. He didnt sell his Word. Jesus Christ became flesh or his spirit. We are to support his work, not buy our way in with money! Our motives and intents are challenged today to be after God! This love affair after Jesus, the Word money cant buy

that!

**One Love Affair**-Jenny Bouilly 2006  
[one love affair]\* meditates on mud daubers, Duras, and the deaths of mentally ill and drug-addicted lovers, blurring fiction, essay, and memoir in an extended prose poem that is as much a study of how we read as it is a treatise on the language of love affairs: a language of hidden messages, coded words, cryptic gestures, and suspicion. As with Jenny Bouilly's debut book *The Body* (2002), [one love affair]\* is full of gaps and fissures and "seduces its reader by drawing unexpected but felicitous linkages between disparate citations from the history of literature," a work that is "filled with the exegetical

projection of our own imagination" (Christian Bok, *Maisonneuve*). Told through fragments that accrete through uncertain meanings, romanticized memories, and fleeting moments rather than clear narrative or linear time, [one love affair]\* explores the spaces between too much and barely enough, fecundity and decay, the sublime and the disgusting, wholeness and emptiness, love and loneliness in a world where life can be interpreted as a series of love affairs that are "unwilling to complete."

**The One Love**-Joseph Miller (Rear Admiral) 2010-03 *The One Love* refers to a husband and wife who have become one and their One love which is to the

other. This book is based on the thoughts from Solomon, the wisest man who ever lived. He had 700 wives and 12,000 horses, but he had only one love. An alternate interpretation of the Biblical book, *Song of Solomon*, (a story of sexual love) suggests that Solomon's experience answers the question, "Is it better to have loved and lost or better to have never loved at all? Solomon had wondered away from God. He was led by his wives to worship pagan gods. When he lost his only true love, the impact caused him to return to the only true God in his old age. This book is a reference book for all young people who are contemplating marriage or are already married. It lists the 13 subjects that are necessary to have a "Broad Mentality" in life. It lists the 11 factors

for a "Broad Mentality" needed for a successful marriage. It asks 25 questions to be reviewed before marriage that lead to thoughts for a life-long or permanent marriage. It is very practical in producing a technique that guarantees communication for young married people. It lists many "Code Names for Love," with instructions as to how young couples can develop their own. It clearly reveals that sex outside of marriage is a sin. It takes one on a tour through the Bible showing that homosexuality is a sin and one who is persistent in that sin (as with many other sins) will not be in the Kingdom of Heaven. The course involves a study of Five Chapters concerning True Love. An Addendum, (with 86 questions) that outlines the course discusses: Falling in

Love, (25 Questions before Marriage), Marriage, and Staying Married.

**One Man's Maine**-Jim Krosschell  
2017-05-12 Maine is a talisman of the American imagination, offering beauty and wildlife to tourists and natives. Over the last few years, Jim has published many essays about the wonders and challenges of Maine's environment, and One Man's Maine collects and edits them into sixteen pairs. The first essays of each pair employ the natural icons of Maine-lobster, moose, blueberries, lupine-to reach into matters of human significance. These are familiar essays that combine science and belief, observation and emotion. The second essays are broader and more discursive and take on a fuller range of experiences in this beloved state.

**Stars of the Night Commute**-Ana Božičević 2009 Poetry. "STARS OF THE NIGHT COMMUTE haunts in three dimensions, knit by a below-words rumble in the sure rhythm of dreams"--Annie Finch. "Bozicevic's poetry has everything--a mastery of language, a distinct and singular voice and a worldview so visionary and all-encompassing, so as to both terrify and astound"--Noelle Kocot. "How does she do it?"--Eileen Myles. "Absolutely anything can happen next but whatever it is, it will be perfect.... She is able to stretch language to its most ineffable and musical limits while maintaining a masterful grasp of the colloquial.... She is able to perceive with the eyes of

language--then render with lyrical immediacy--the experience of our collective sleepwalking soul, who may well soon awaken to discover that its terror was not a dream"--Franz Wright.

**Poets on Teaching**-Joshua Marie Wilkinson 2010-08-28 "Here is an astonishingly generous gathering of poetic energies and imaginations aimed toward turning more and more classrooms into scenes of transformative engagement with the prime instrument of our humanity, language. The essential work of exploratory play with words is presented in heartening variety in its necessary wildness, surprising pleasures, gravitas, illumination. This

book is a catalogue of invention: visionary, pragmatic, surprising, fun--- useful because it's inspiring and vice versa. The poets' essays are themselves an affirmation of the vital presence of poetry in our culture, proof and promise, Q.E.D."---Joan Retallock, coeditor, *Poetry and Pedagogy: The Challenge of the Contemporary*, and author, *The Poethical Wager* --Book Jacket.

**The Shell Game**-Kim Adrian 2018-04 Within the recent explosion of creative nonfiction, a new type of form is quietly emerging, what Brenda Miller calls "hermit crab essays." *The Shell Game* is an anthology of these intriguing essays that borrow their structures from

ordinary, everyday sources: a recipe, a crossword puzzle, a Craig's List ad. Like their zoological namesake, these essays do not simply wear their borrowed "shells" but inhabit them so perfectly that the borrowed structures are wholly integral rather than contrived, both shaping the work and illuminating and exemplifying its subject. The Shell Game contains a carefully chosen selection of beautifully written, thought-provoking hybrid essays tackling a broad range of subjects, including the secrets of the human genome, the intractable pain of growing up black in America, and the gorgeous glow residing at the edges of the autism spectrum. Surprising, delightful, and lyric, these essays are destined to become classics of this new and increasingly popular hybrid form.

**Bending Genre**-Margot Singer  
2013-03-14 Ever since the term "creative nonfiction" first came into widespread use, memoirists and journalists, essayists and fiction writers have faced off over where the border between fact and fiction lies. This debate over ethics, however, has sidelined important questions of literary form. *Bending Genre* does not ask where the boundaries between genres should be drawn, but what happens when you push the line. Written for writers and students of creative writing, this collection brings together perspectives from today's leading writers of creative nonfiction, including Michael Martone, Brenda Miller, Ander

Monson, and David Shields. Each writer's innovative essay probes our notions of genre and investigates how creative nonfiction is shaped, modeling the forms of writing being discussed. Like creative nonfiction itself, *Bending Genre* is an exciting hybrid that breaks new ground.

**A Harp in the Stars**-Randon Billings Noble 2021-10 What is a lyric essay? An essay that has a lyrical style? An essay that plays with form in a way that resembles poetry more than prose? Both of these? Or something else entirely? The works in this anthology show lyric essays rely more on intuition than exposition, use image more than narration, and question more than

answer. But despite all this looseness, the lyric essay still has responsibilities—to try to reveal something, to play with ideas, or to show a shift in thinking, however subtle. The whole of a lyric essay adds up to more than the sum of its parts. In *A Harp in the Stars*, Randon Billings Noble has collected lyric essays written in four different forms—flash, segmented, braided, and hermit crab—from a range of diverse writers. The collection also includes a section of craft essays—lyric essays about lyric essays. And because lyric essays can be so difficult to pin down, each contributor has supplemented their work with a short meditation on this boundary-breaking form.

**The Inbox: Prison Love Affairs**-LaLa Vick 2021-08-13 IN LOVE, THERE ARE NO INSECURITIES, BUT IN LUST, THERE IS FEAR! For Ann, who is seeking love in all the wrong places, prison lust is her ultimate desire, but can real prison love really exist? This book follows Ann as she learns the game of prison love, so that she won't get played. She soon discovers that fear, love, lust and pain are the elements of pursuing lasting intimate relationships. She also learns to think with her mind and not with her heart, to believe what she sees and not what she hears, and that even in lies, there is truth. "The Inbox: Prison Love Affairs" is an unflinching and vulnerable look at what happens when women commit to

enjoying the lies men in prison tell them, lies that will never come true. It is a transparent narrative that tells the story of a woman who chooses to believe the fantasy she creates because all she needs is to feel loved.

Deceptively brief and insidiously easy to read, La Rochefoucauld's shrewd, unflattering analyses of human behaviour have influenced writers, thinkers, and public figures as various as Voltaire, Proust, de Gaulle, Nietzsche, and Conan Doyle. The author gave himself the following advice: 'The reader's best policy is to assume that none of these maxims is directed at him, and that he is the sole exception...After that, I guarantee that he will be the first to subscribe to them.' This is the fullest collection of La Rochefoucauld's writings ever published in English, and includes the first complete translation of the *Réflexions diverses* (Miscellaneous Reflections). A table of alternative maxim numbers and an index of topics help the reader to locate any maxim

quickly and to appreciate the full range of La Rochefoucauld's thought on any of his favourite themes, such as self-love, vice and virtue, love and jealousy, friendship and self-interest, passion and pride. College, and University of Missouri- tried his hand at acting, law, and journalism, and traveled Europe before meeting his wife and becoming city editor for the St. Joseph Gazette in St. Joseph, Missouri. **Women and Marriage in German Medieval Romance**-D. H. Green  
2009-04-02 In contrast to the widespread view that the Middle Ages

were a static, unchanging period in which attitudes to women were uniformly negative, D. H. Green argues that around 1200 the conventional relationship between men and women was subject to significant challenge through discussions in the vernacular literature of the period. Hitherto scholarly interest in gender relations in such literature has largely focused on French romance or on literature in English from a later period. By turning the focus on the rich material to be garnered from Germany - the romances Erec, Tristan and Parzival - Professor Green shows how some vernacular writers devised methods to debate and challenge the undoubted antifeminism of the day by presenting a Utopian model, supported by a revision of views

by the Church, to contrast with contemporary practice.

### **The Incomplete Amorist-**Edith Nesbit

2022-02-01 The incomplete Amorist by Edith Nesbit is the tale of a complicated love quadrangle between four people, full of melodramatic moments. The story begins in England when the eighteen year old Betty Desmond a pretty, naive girl bored out of her mind by the monotony of her country life, goes out to draw and meets Eustace Vernon, a thirty-something painter the amorist himself, who means no harm but goes to great lengths to win the ladies just to

appease his vanity and in short is a world-class flirt. Vernon also has little to do, and they start meeting with their art supplies in the forest. **Diamond Heart: Book Five**-A. H. Almaas 2011-07-12 From one perspective, we can see ourselves merely as human beings struggling in a crowded and chaotic world of suffering. This book opens our eyes to a different reality, one that turns our familiar world inside out. We need only explore—with curiosity and love—our true potential as

human beings in order to discover infinite depth and creativity in our lives as we act and interact in the world. When time and space expand their meaning, we come to know ourselves as having infinite dimensions of being and qualities of spirit, and uncover new mysteries about ourselves, one another, and the reality we live in. This is the last of the five-volume Diamond Heart series of transcribed and edited talks given by A. H. Almaas to inner-work groups in California and Colorado.

**A Handful of Thistles**-Lewis A. Coser 1988-01-01 This selection of essays by one of the most eminent sociologists of our time represents a selection of his analytical and moral or political writing

over a lifetime of work. The book is organized thematically rather than chronologically, and is divided into four parts: papers on the uses of sociology, on ideas and ideologies, on sociological analysis, and a final section entitled professing sociology. While the collection demonstrates maturation, the author's central preoccupations have remained constant over the years. A reflective autobiographical introduction places the author's choice of problems and the development of his ideas in the social and cultural context of his life and his work. He confesses to having experienced, in his life and his work, being a "stranger within the gate," and believes that this sense of marginality has both informed and influenced his thinking. And he sees the

social conflicts that shook the world during his young adulthood as having creative as well as destructive consequences.

**Theoretical Frameworks for Personal Relationships**-Ralph Erber  
2013-06-17 The past two decades have seen a tremendous increase in research and scholarship devoted to personal relationships. From rather scattered beginnings a recognizable and recognized field has emerged, whose

strength and health is reflected in a wide array of indicators. The editors contend that while the vigor of the field is often shown in the diversity and innovation of its research, it is in the theoretical domain that they find evidence of a real coming of age. This volume provides grounds for arguing that the diversity of theorizing is particularly healthy at this point. The reader will notice that there is some diversity in terms of how much theory and research is contained in each chapter -- some are purely theoretical; others are complemented by original pieces of empirical research. The editors and contributors are from different countries -- another way in which the diversity of this book manifests itself. The variety of the

frameworks presented are seen as a strength, as building on established strengths elsewhere to feed into relationship research and enhance its vitality. Each chapter makes its own contribution to thinking and research about personal relationships. As a group they add to an exciting collection that not only reflects a richness of conceptual backing, but also a wide range of usable theoretical structures.

**Vietnam Doc**-William Clayton Petty MD  
2016-07-29 Dr. William Clayton Petty believes anesthesia is a gift from God to mankind, and for many years it was his privilege, his living, and his blessing. In Vietnam Doc, he shares his unique experience as the chief of anesthesia at a very busy military hospital during the Vietnam War. Petty received his orders in 1969 and reported to the 24th Evacuation Hospital, a hospital with a phenomenal record for trauma care that recorded low mortality rates of two to

three percent. He tells how the Vietnam War was his baptism of fire in anesthesia for trauma, and he describes the workings of the complex task of providing surgical care to multiple soldiers with traumatic injuries due to combat. Vietnam Doc offers keen insight into the intensity of the life of a medic during the war and of the wounded soldiers he and other medical personnel worked so hard to save. Poignant, reflective, and often gut wrenching, Petty narrates his personal reflections on how these events affected his life and those of others.
